Witnesses Ready for Convention

"Walk in the name of Jehovah. Forever," keynote address by noted Bible scholar Theodore Jaracz, sets theme for semiannual three-day circuit assembly, announced L. E. Olliff, presiding minister of the Torrance Congregation of Jehovah's Witnesses.

Final plans completed last night join 18 congregations June 23-25 in specialized public activities at Washington High School, 108th and Denker Ave., Los Angeles.

Baptismal of newly dedicated ministers at 1:30 p.m. highlights Saturday's activities. The climax will be reached Sunday, June 25 at the 3 p.m.

The climax will be reached Sunday, June 25 at the 3 p.m. public lecture, "The 20th Century in Bible Prophecy," stated Olliff. "Attendance in excess of 2300 is anticipated at this thought-provoking lecture, as wide public acceptance has marked this free Bible educational work," said Olliff. "Interest by local residents has been kindled by these semiannual assemblies due to being models of organization order, peacefulness and happiness... preassembly activities have already aroused local interest in forthcoming variety of stimulating lectures, demonstrations, discussions and counsel," concluded Olliff.

Papa — the word papa goes back, just as it is, through all the languages to the Sanscript, and even be-yond to Aryan, the root of our yond to Aryan, the root of our civilized tongues. The Pope is papa, kind father, in Italian. It is somewhat of a mystery how it came to be twisted into the words we have in English — dad, pop, pa, and old man.
